Re: Ms. Safi Cleaning Services Ltd.

This is to confirm that Ms. Safi Cleaning Services Ltd have been providing cleaning services to SDV Transami (U) from May 1, 2005 todate.

During the time we have engaged the company, we have found their staff to be hardworking and professional in the manner in which they handle their duties.

In light of the above, I without hesitation recommend Safi Cleaning Services Ltd to any potential client.

Yours faithfully,
SDV Transami (U) Limited
